Re: Request for Approval as to Form – Initiated Ordinance Petition

**(Amendment to City Code Chapter 22 – Objective Noise and Vibration
Performance Standards)**

Dear City Clerk and Mr. Hitch:

We, on behalf of qualified register electors, respectfully submit the attached proposed initiation of ordinance for your review and approval as to form pursuant to Chapter 7.11 through 7.15 of the Charter of the City of Mason, Michigan.

The petition seeks to amend Sections 22-31 and 22-32 of the Code of Ordinances of the City of Mason to replace the existing subjective nuisance standard with objective, measurable, city-wide performance standards for continuous mechanical equipment, cooling systems, ventilation systems, and groundborne vibration. The full text of the proposed ordinance is attached (clean copy in the format required for circulation).

We request that you review the petition and the full text of the proposed ordinance and provide written approval as to form (or any recommended technical revisions limited to form) at your earliest convenience so that we may proceed with circulation for signatures.

Thank you for your time and assistance in this matter. Please do not hesitate to contact me at the phone number or email address above if you require any additional information or clarification.

Respectfully submitted,

Marcus Baldori
